

PRODUCTS OF THE BEEHIVE

Come out for an educational and hands on evening all about honey and products of the beehive. Participants will learn about methods of harvesting honey, rendering wax and different ways products from a bee colony can be used. Leave with some new knowledge and a couple samples to take home.

Partnership between FoodShare Toronto, the Toronto Beekeepers Co-operative and Greenest City.

WHEN: August 10, 2016 from 6 to 9pm

WHERE: 201 Cowan Avenue

COST: \$30 - email angela@foodshare.net for subsidies.

Visit foodshare.nationbuilder.com/beehiveproducts for full details or RSVP.
